VOLUME LV — 1966
CENTRAL UNION HIGH SCHOOL
EL CENTRO, CALIFORNIA

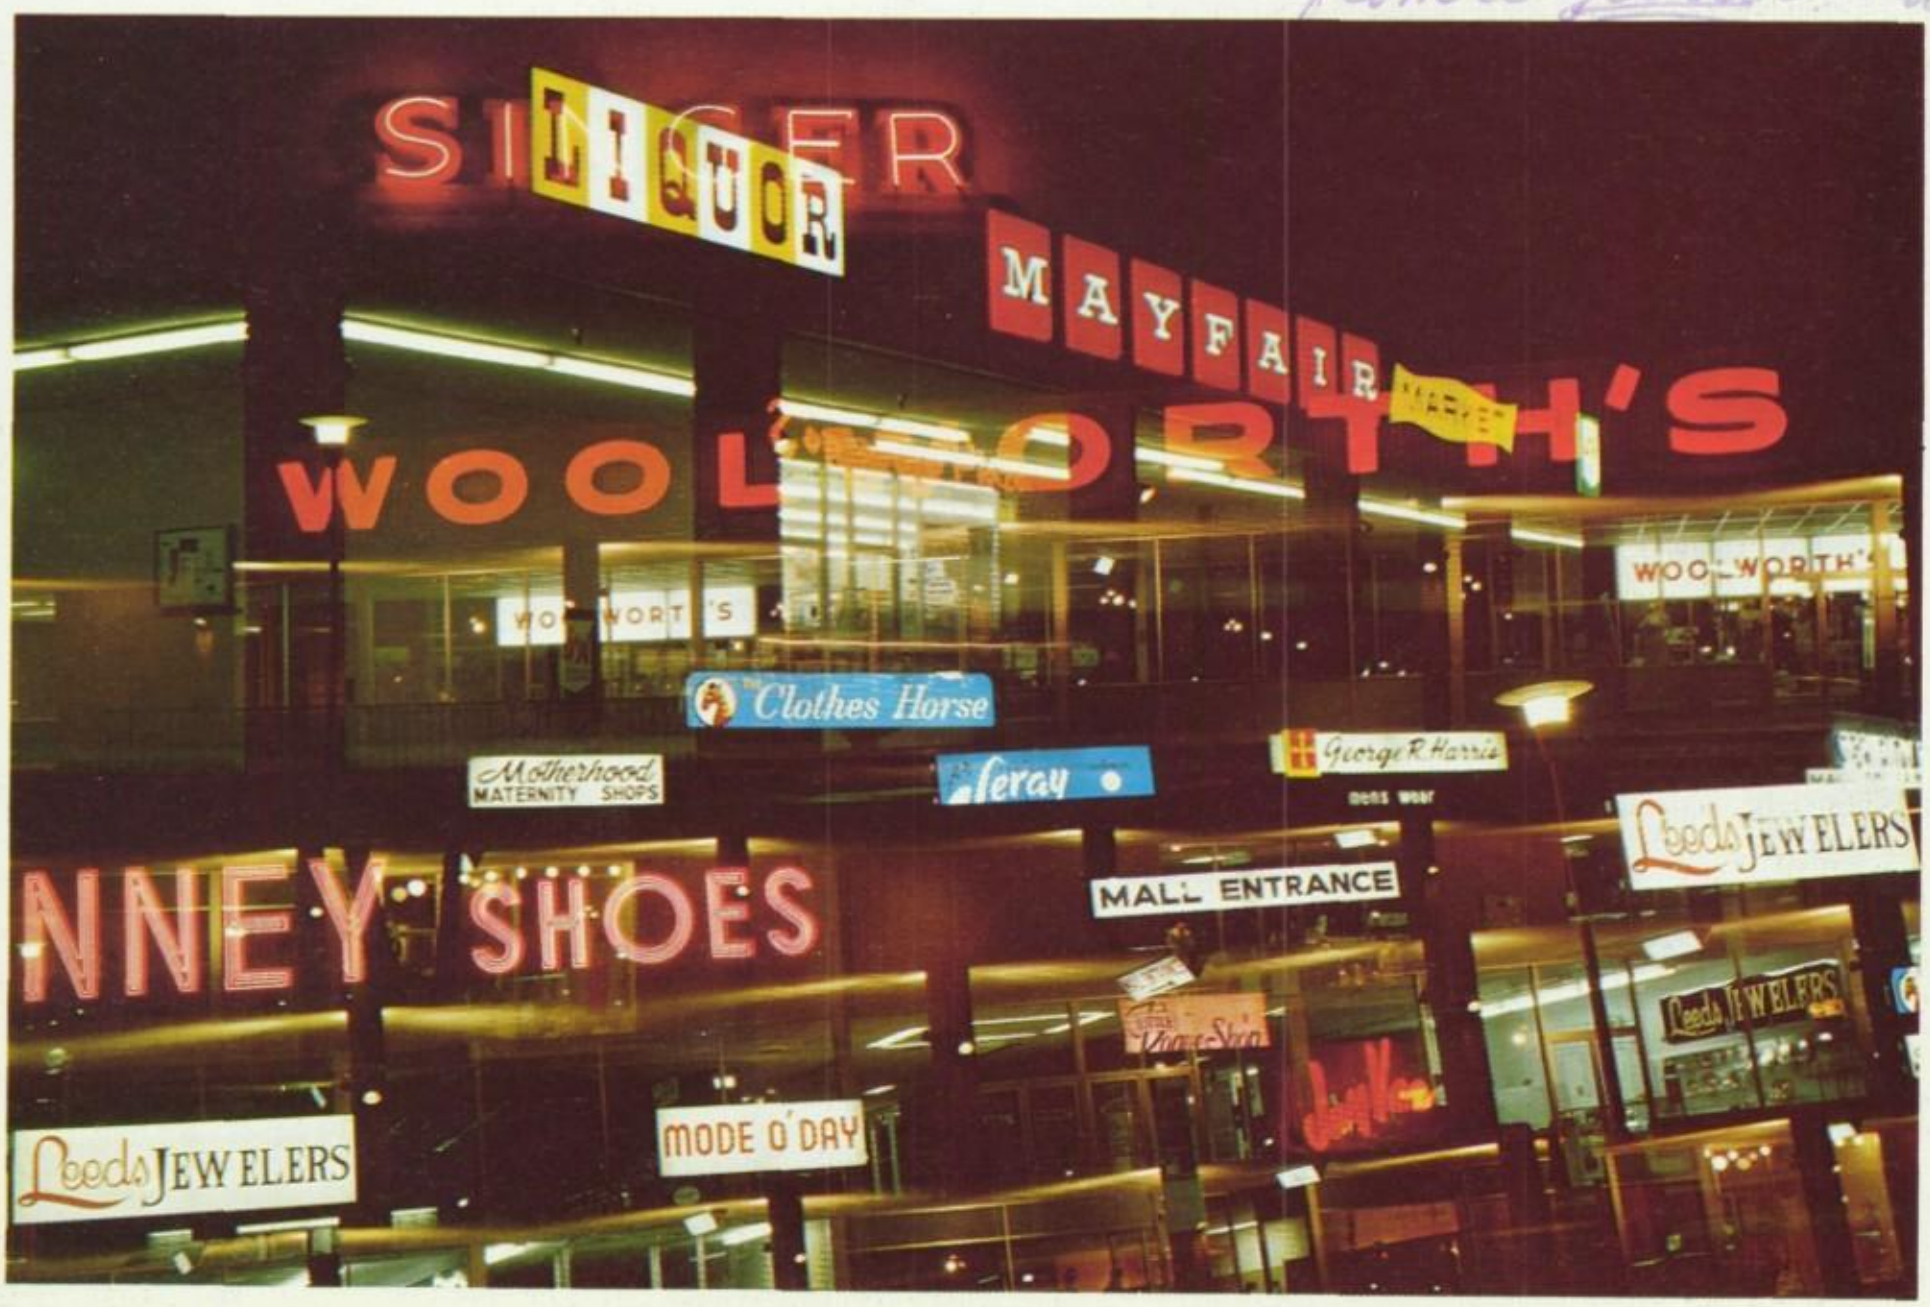
We, the students of Central Union High School, dedicate this book to the Imperial Valley: to the land, to the community, and to the people who have given us life, sustenance, and opportunities unlimited.

James Bond

We who live in Sparta enjoy the colors and beauty of the community around us.

Dear Randy,
I've enjoyed knowing you this year, and I wish you could be here next year too. I don't know about you, but I think its been pretty easy. lots of luck always. Amanda

Mike Lee I To a nice kid from a good kid



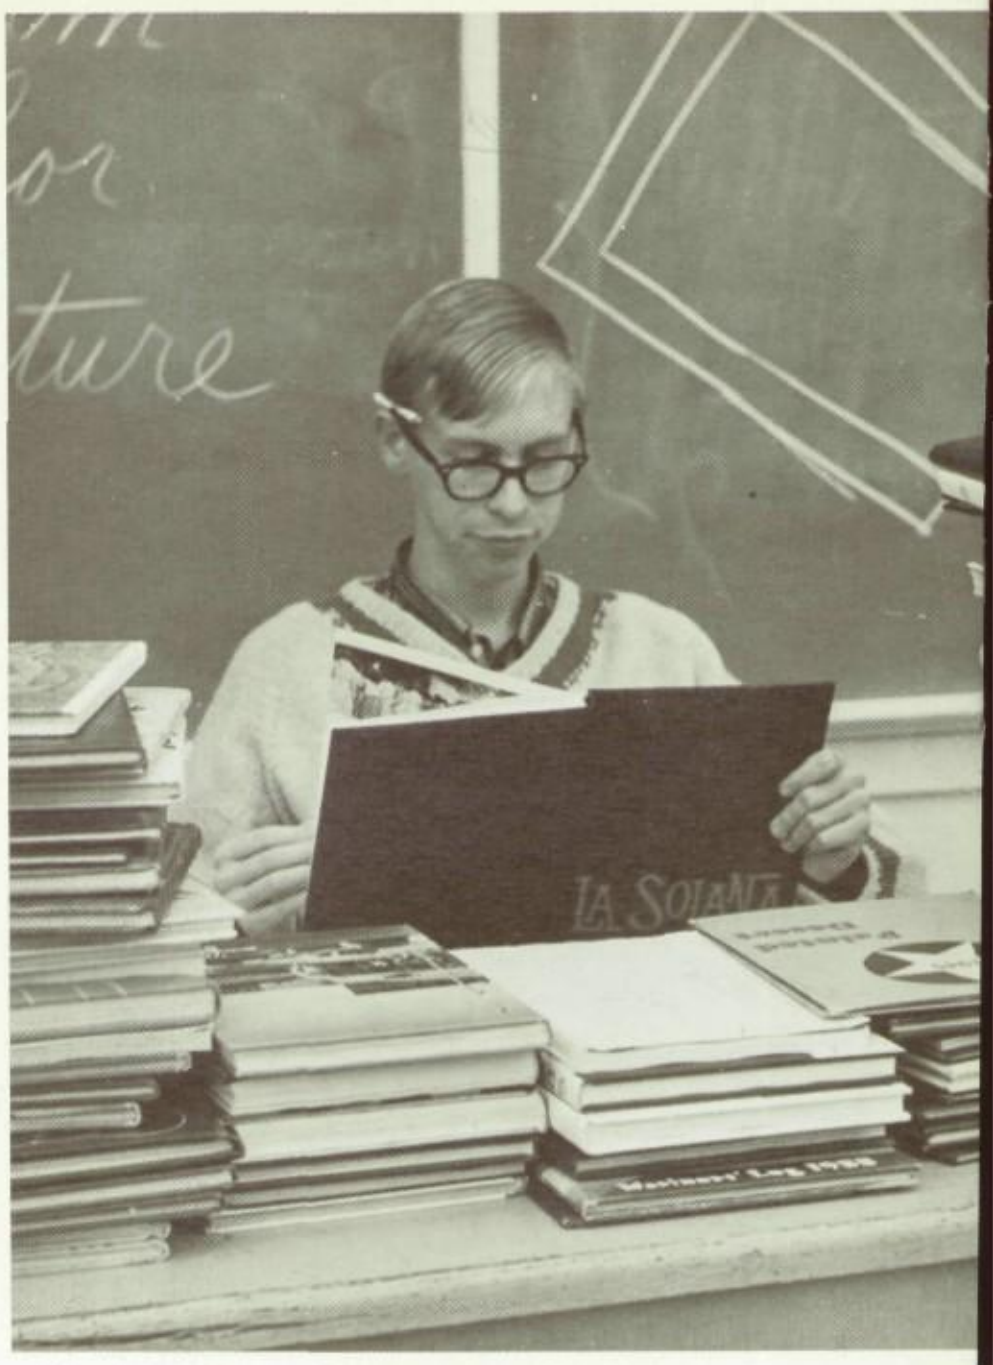
Dear Spartans,

This past year has been one which will stay with us forever, even if only in memory. We will remember it as the first year of cafeteria lunches in our beautiful new multi-purpose room. A magnificent new gymnasium graced our campus. For the first time in eleven seasons, a handsome blue-and-white victory flag flew over our quad. Not since 1955 had we defeated Brawley on their own field.

Yes, students, this has been a year of many firsts at Central. As you read through the pages of this La Solana, you will see why this has been the greatest year in Central's history.

Our staff has worked untold hours to try to make this La Solana as outstanding as the year it represents.

Terry Newton
La Solana Editor



Wonderful opportunities,
work, play, laughter . . .
These are the watchwords
of those who dwell in Sparta.
We laugh and talk as
we arrive at school to
begin our mornings of
study or our nights of
fun . . .

Randy, I had
I've really had
fun getting to know
you in science. You and
the other guys were the
only ones not snowed
under by Barnett's
theories. That's
Awesome

And we joke
and sing,
because we
are happy to be
in high spirits
and glad to
be young.

We spend our working days on
the Spartan Campus where we gather
on the steps, in the quad, at our
lockers, and around lunch
tables, to discuss life at Central,
sports events, weekend
dances, and Friday exams.

Many of us will leave here in
June never to return, but we
shall not forget the golden moments
which have been ours at
Central Union High School.

FACULTY

Randy,

It really was nice getting to know you this year in Geometry. You're a real bright student and I have a feeling you will really go far. You're almost a Soph. now. How does it feel? Have some fun in high school because it shouldn't be all work. Lotsa luck in the future.

BOARD OF TRUSTEES

One quarter of all Americans, young and old, are engaged in our largest industry, education. The basic responsibility for direction of the educational program is in the dedicated hands of elected trustees who unselfishly work, plan, study, consider, negotiate, compromise, direct, take praise and criticism alike, yet serve for no other reward than the knowledge that, through them, the job is done.

Mr. John A. Ryerson

ADMINISTRATION

It has been a pleasure and an honor to be associated with Central High School this year. Many projects and programs of previous years were completed this year.

It became evident from the first day that this would be an exciting, spirited year. The new facilities on campus added to the atmosphere and momentum. School spirit and student participation reached heights to classify this as one of Central's finest years.

To the graduates of 1966, I offer our best wishes for your future endeavors. We are confident that your education has been thorough and has prepared you for future chosen vocations and avocations.

Mr. C. N. Johnson

Mr. S. D. Cole

MATHEMATICS

The department's "new math" program stresses the why-do-it and how-to-apply-it rather than the how-to-do-it concept of mathematics. The courses are organized to meet needs consistent with individual educational and vocational plans.

So who uses inductive thinking? . . . "The advance assignment will be" . . . what are congruent triangles? . . . if a passenger boat can make 16 m.p.h. in still water . . . multiplicative what?? . . .

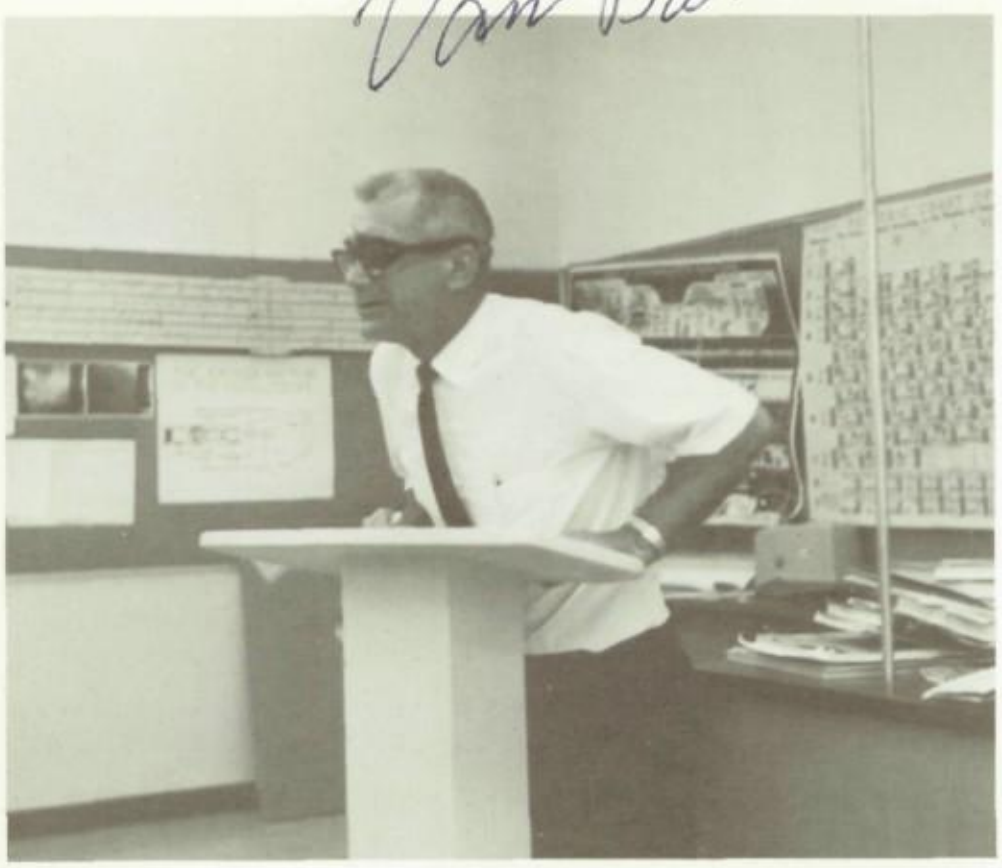
SCIENCE



Mr. Van Barnett, Department Head

College preparation is the watchword for this department. Individual advice and guidance, maximum possible development of student potential, and acceptance of responsibility by the student are cardinal items in this program.

SOCIAL STUDIES

If we are to have a democracy, we must have educated citizens. The government, history, and geography courses of this department are designed, therefore, to provide a background of educational experience that will enable our students to function as valuable citizens by understanding and participating in government.

BUSINESS EDUCATION

The objectives of the Business Education Department are to prepare high school students with the vocational skills and knowledge needed for initial employment and for advancement in a business career. Other goals are to prepare high school students with the knowledge, attitudes, and nonvocational skills needed by all persons to be effective in their personal business functions and their understanding of our economic system.

CLASS OF '66 STARTS A NEW TRADITION

Last year as Juniors we needed a crown for each of our three dances. Cinderella Dress Shop generously presented a lavish crown, via Dennis Cook, Jr. Class President.

Our Senior year we purchased a beautiful trophy upon which the crown will rest between the crowning ceremonies. Its purpose is to enhance the value of the crown, maintain a record of the various recipients, and to establish the tradition of the three Junior Class Dances.

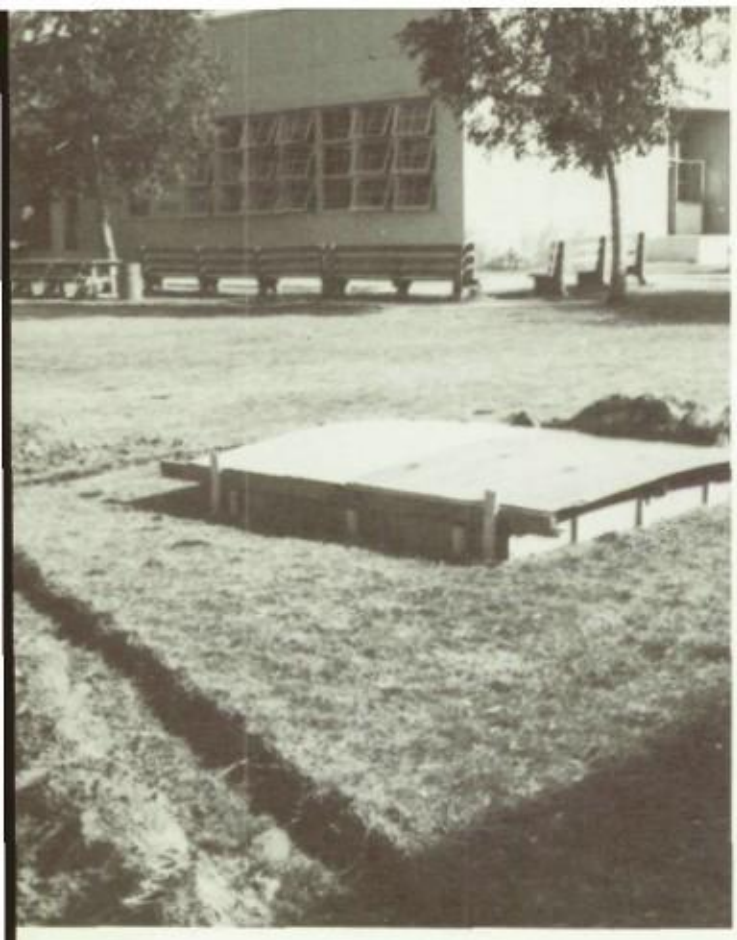
The name of each queen is to be engraved on the trophy and the crown and trophy are to be kept in the home of each queen until the end of her reign.

To the Junior Class President the Class of '66 endows the honor of surveillance in case of unforseeable events (such as the queen moving from the Valley) and the job of the engravings.

SOMEONE SPECIAL

How do I love thee? Let me count
the ways.
I love thee to the depth and breadth
and height
My soul can reach, when feeling
out of sight
For the ends of Being and ideal Grace.
I love thee to the level of every day's
Most Quiet need, by sun and
candlelight.
I love thee freely, as men strive
for Right;
I love thee purely, as they turn
from Praise.
I love thee with the passion put to use
In my old griefs, and with my
childhood's faith.
I love thee with a love I seemed
to lose
With my lost saints—I love thee
with the breath,
Smiles, tears, of all my life—
and, if God choose,
I shall but love thee better after death.

Elizabeth Barrett Browning



SPARVICTUS

The commissioners and student body of 1966 were proud to be able to present a **SPARTAN** statue to the school. From an idea at a Commissioner's meeting, the statue became reality and now graces our quad with its royal blue splendor. Standing over eight feet tall, the statue is visible from a long distance and gives our school an air of dignity and tradition. It is hoped that in the coming years, the statue will be as much a part of Central as the feeling of spirit which prompted it.

BOARD OF COMMISSIONERS

The Commissioners, or student body officers, of Central Union High School form the basic unit of government at our school. They are chosen by election, and serve for a full year in the interest of the student body. The commissioners of this school proved their worth through many projects and activities, and proved that they, in truth, are leaders.

INTER-CLUB COUNCIL

The Inter-Club Council is a group of representatives from the classes and clubs at Central. They work with the Commissioners in planning the activities and events which add so much to Central life. Through their efforts and projects, from community service to Tuesday meetings, the members of Inter-Club Council have displayed the interest and citizenship which are characteristic of leaders at our school.

P—J CLUB

Three generations of Spartan rooters display their school spirit by wearing Spartan Beanies.

The P J Club is the Publications-Journalism club of Central. They collect, edit, and publish the Talisman, a collection of outstanding writings of Central students. They raise their money by selling beanies, spartan stationery, and refreshments at football games. This club works closely with the English and art departments.

Recap of the 1965-1966 School Year

The Commissioners would like to take this opportunity to recap the 1965-1966 CUHS school year. We hope you feel, as we do, that this has been a very successful and interesting year. We would like to outline some of the highlights of the school year other than the usual dances, games, and other regular events and accomplishments.

Among these are the following: The Spartan statute, pep rallies, victory flag revival, naturalization ceremonies, national assemblies, School Beautification Week, Club Week, serpentine, Homecoming, Varsity "C" Donkey Basketball, Teacher-Senior Basketball Game, talent show, Commissioner's Carnival, Fad Day, Scholastic Bowl, Elks-sponsored Wrestling and Basketball Tourneys, Powder Puff Track, Inter-Class Boys Track, Safety Week, Constitutional Convention, and many other activities.

We wish to thank you for your enthusiasm in school activities this year and to thank you for the best school spirit ever shown at this school. The attendance at the Commissioner's meetings was great and the gym almost didn't hold up under the stress of the pep rallies.

We hope that you will be able to look back at your years at Central as happy times. We felt very honored this year to represent Central Union High School as your Student Body officers. So, whatever you do, wherever you go, we wish you the best luck possible.

Good luck,

Dave Stevenson

Central Union High School acquired twenty-eight awards from the regional screening for National Scholastic Art Contest held in Riverside. From 5000 entries only approximately 500 were included in the final exhibit which included high school and junior high school art work in classifications.

The awards were divided into three classifications: Blue Ribbon - Gold Key, which will be sent on to New York to compete with screened work from 50 states; Gold Keys, which designate superior quality; and Certificates of Merit.

Approximately 60 Blue Ribbon-Gold Key were selected. Three went to Central students. Of the 300 Gold Keys, 14 were won by Central students.

We can certainly be proud of these students.

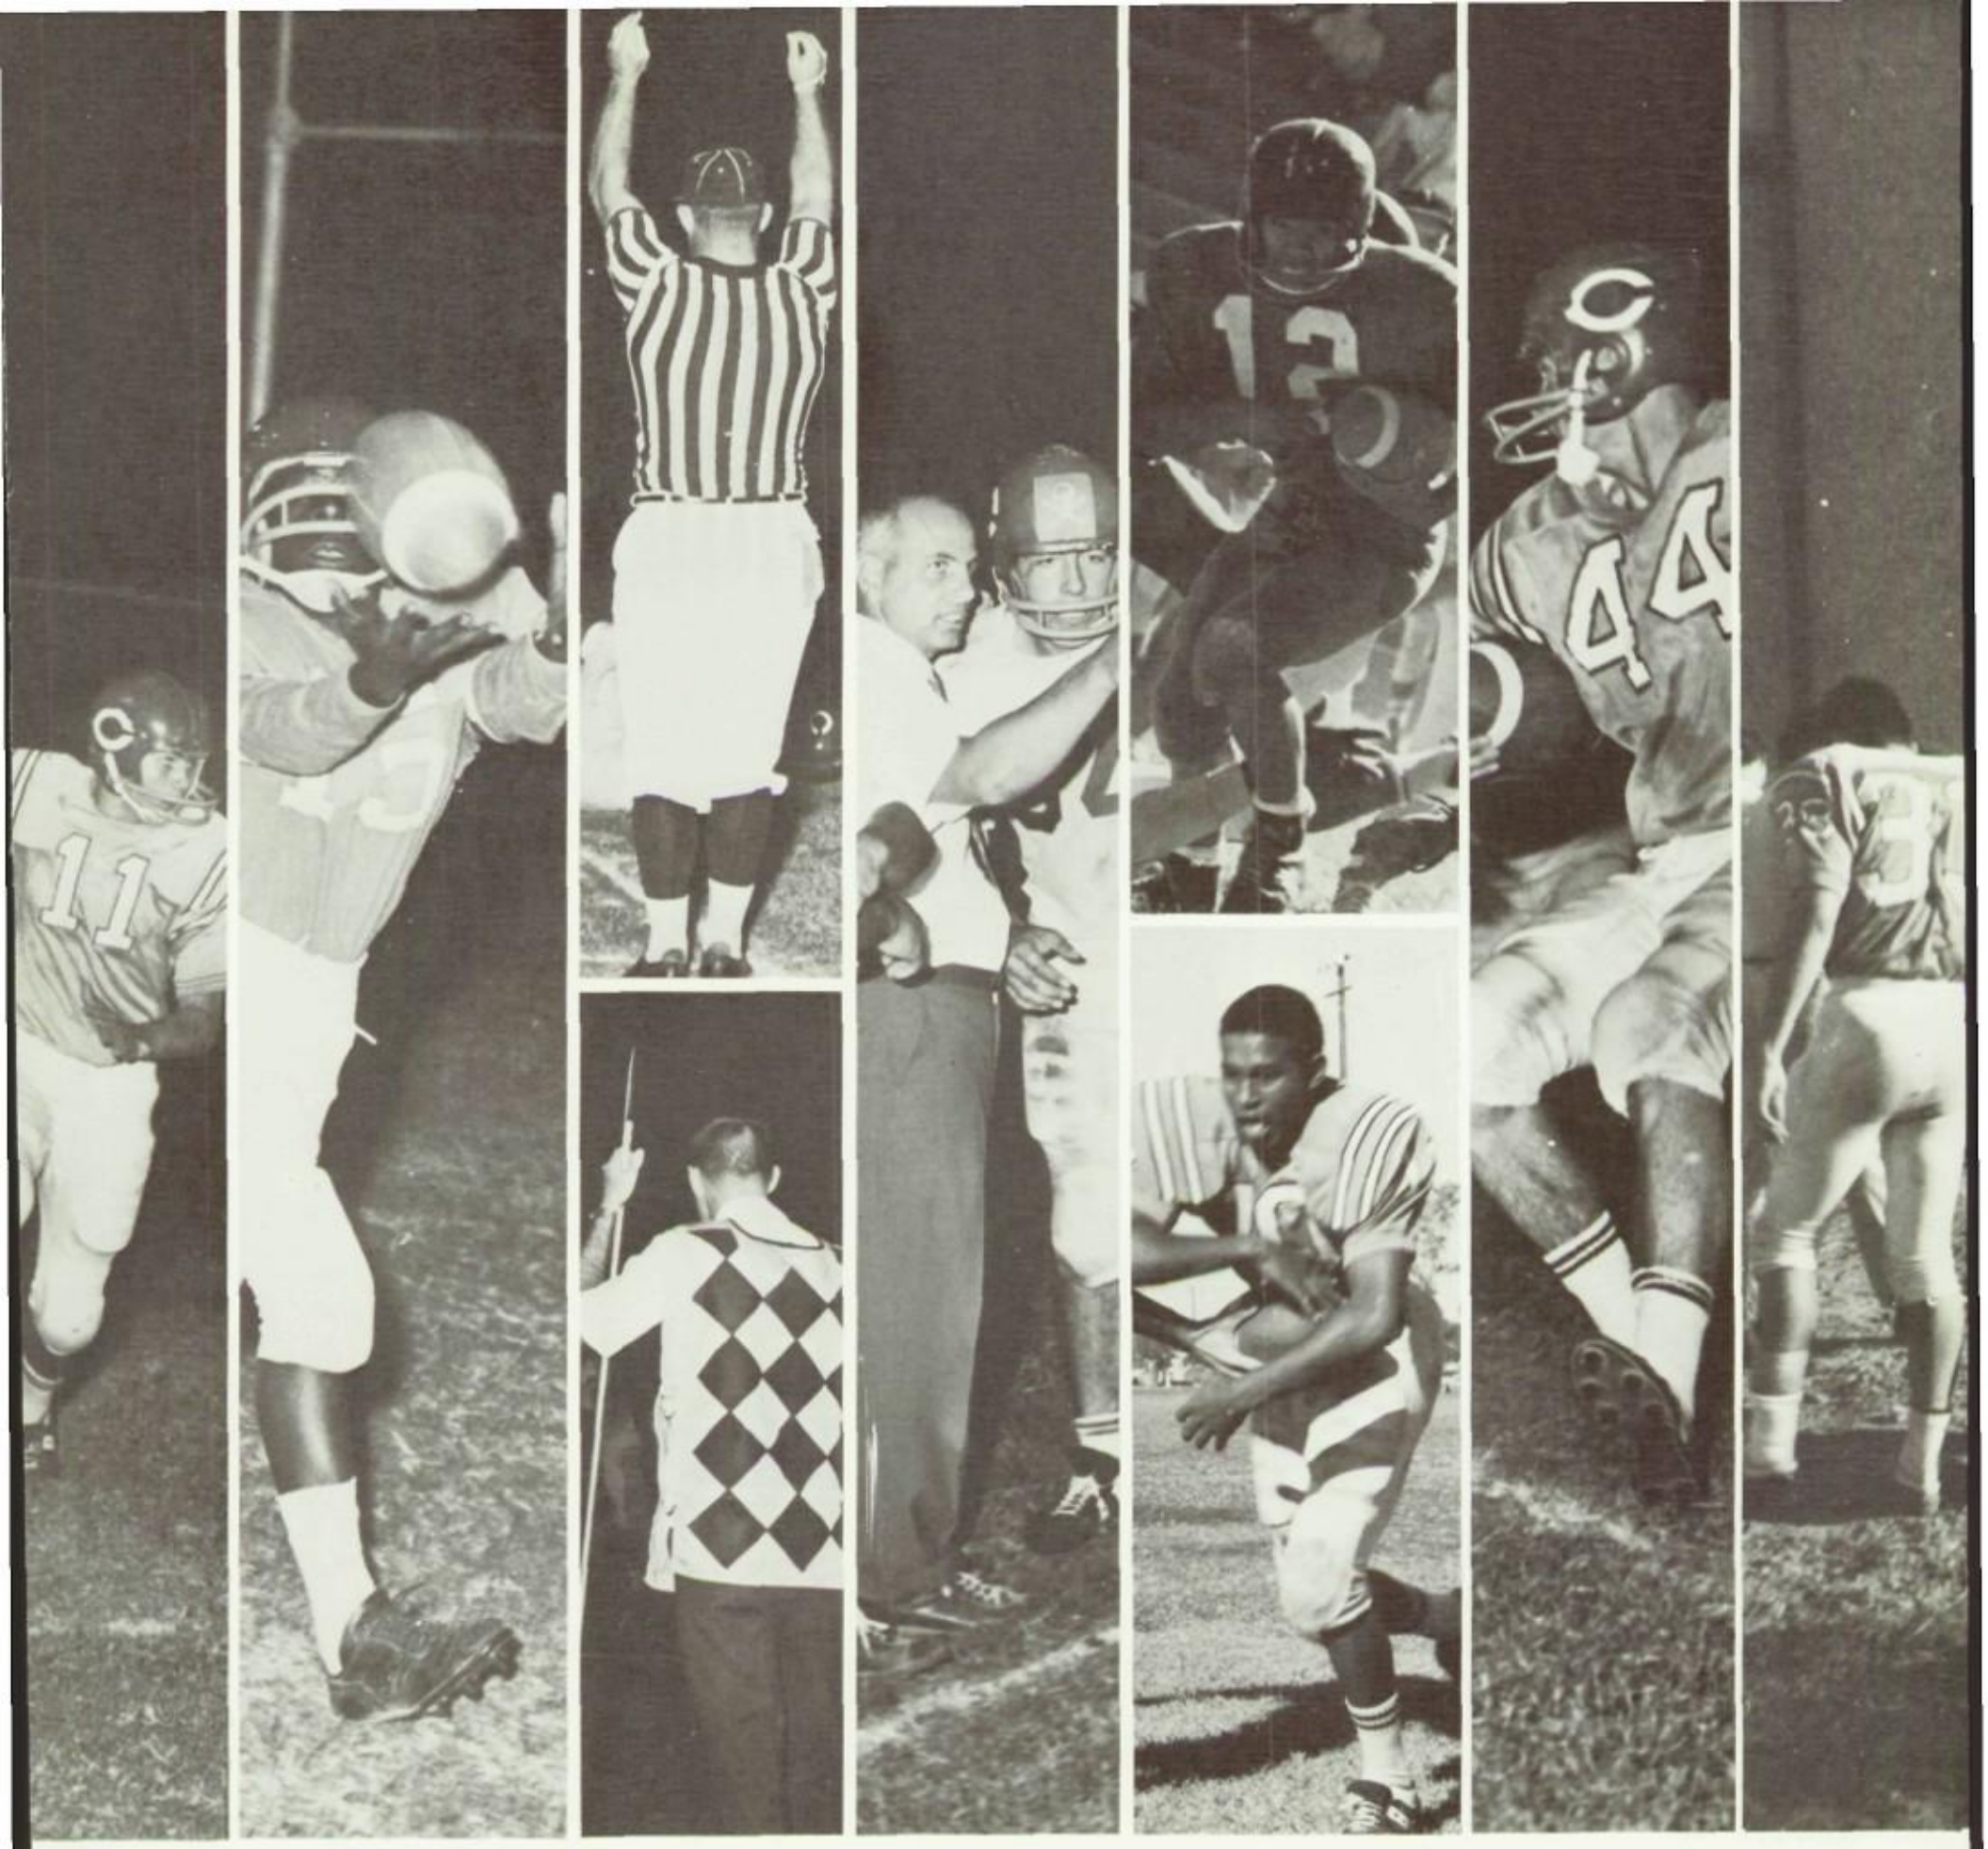
Robert Bassham, Tim Benson, and Tom Storey, Manager.

We can all be proud of the 1965 El Centro varsity team. The **SPARTANS** worked hard this year to achieve this goal. Starting the season with two new coaches and a different system of plays did not handicap El Centro because the new coaches were excellent and the system of plays worked quite well. Central met its new head coach, Phil Santia, at spring training last year and he immediately took the hearts of El Centro football fans. He started the season by getting the team brand new protective gear and by arranging apparatus for the team's practice sessions, both of which were badly needed. Central also had a fine coach in Calvin Jones. Coach Jones was an All American before he came to El Centro to coach the line. The linemen all looked up to him and he became their symbol of a good lineman. He turned out one of the most explosive lines in Southern California. Central kept Joe Enserro to do the backfield coaching duties. He turned out a group of backs which will be remembered for many years. These three men turned out a fine team. Practice started two weeks before school and the team practiced morning and night and sometimes in the afternoon to achieve their goal. Their motto for the first game was "We Try Harder." No statement was ever truer than this one.

"The formula for success, whether on the playing field, in business, or in any occupation, is more win than losses." These were the words of the new head coach, Phil Santia, in a pre-practice pep talk given Central's footbal team. The **SPARTANS** did indeed have a successful season, defeating five of their opponents and losing to four of them. Central started with a win over the strong Palm Springs team, 14-6. Next they traveled to Indio, where a tough eleven edged the **SPARTANS** 13-12. At home again El Centro lost



to Coachella 32-13 in another non-league tilt. Central came back strong when they were needed though. In their first league game with Calexico it was 6-all at half time. A tough game followed, but the spirited El Centrans came back on a sixteen play drive to take the game 12-6 in the final seconds of play. Back home again El Centro ran over Blythe 40-6. Then El Centro traveled to Brawley for the big game up to that point. It was anybodys game from the start. Both teams played ball which Valleyites will not long forget, and a close game ended in a 20-18 victory for El Centro. That night the rooter buses went down Main Street. The Victory Flag flew again that week. El Centro hosted Calexico the next week and came out on the bottom end of a 26-13 score. This was the week of the Serpentine. El Centro then traveled to Palo Verde and slaughtered Blythe 48-13. The championship game followed the next week. This was homecoming and the Chariot Races had been held that day in the only outdoor rally of the year. El Centro wanted that Bell. They fought hard and were leading at the half 3-0. A bigger Brawley squad wore El Centro out in the second half to win the game 14-3. El Centro worked as a team and really showed the true **SPARTAN** spirit. The **SPARTAN** gridders placed ten players on the All-Valley squad.

SPARTANS ARE TRUE BLUE!

The **Junior Varsity** 30 man squad drifted through their season this year with a misleading 2 win, 1 tie, 8 loss record. The squad displayed a great deal of hard hitting football even though hindered by many injuries. They had top coaching with Ron Pace and O. D. Maes helping to advise and work with the boys in developing a team. These boys will help build a strong Varsity team next year and we hope they come out on top.

UNDEFEATED BABES

Improving over last year's seven losses and one tie record, Freshmen Coach Jim Wilson led his "Varsity Underlings" to an undefeated season. Of the clubs they faced they allowed only 9 touchdowns and held one opponent to no score. Though the Freshmen team still has much to learn, this undefeated season shows that in years to come, with more experience, they may take Varsity League Championship for Central. This was Central's third undefeated Frosh season in the last six years and the second under Coach Wilson.

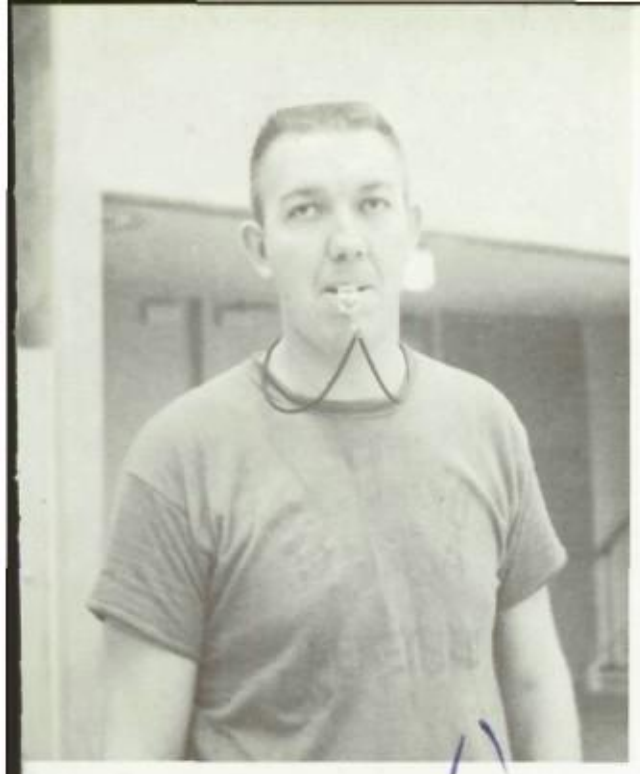
BLUE—WHITE, YEA TEAM FIGHT



Coach Bill Cole

The **SPARTAN** *team, afflicted with the loss of five seniors from last year, faced a rugged schedule. The season play held in store a few disappointments including a loss to Indio because of poor shooting from the foul line, losses to Calexico and Yuma both because of weak shooting from the floor. Other than those it was a success including the defeat of two strong San Diego schools, Hilltop and Lincoln, and an encouraging victory over Brawley. The team started into the league with a 9-4 win-loss record; including seconds in the Holtville and our own Elks Tournament, which was held for the first time this year and is by far the finest tournament in this area. The league, was composed of formidable opponents, the strongest being Calexico and Blythe with injury-laden Brawley also forming a serious threat. It is going to be close till the end, but the team is well tempered and ready. This year would not be complete without mentioning the new gym. Practice sessions are more productive, spectators feel free to come without fear of being turned out or being uncomfortable, and we were able to house tournaments.*

The Junior Varsity basketball team, under the coaching of Mr. Aaron, has jumped off to an excellent start this season with an 11-1 record. The Junior Varsity scoring, headed by Wayne Gonder, has been terrific. The team's rebounding has been outstanding also. They have good bench strength to fill in as they start their league games. They too are enjoying the facilities of our new gym and at the rate they are going, they should wind up with a real good season.

Wrestling is fast becoming a popular sport. This year's Junior Varsity team faced its wins and losses under experienced Coach Stan Gienger. These boys handled their season with acquired knowledge and skills of the sport.

The grapplers showed the fans many thrills and displayed a lot of strength. The team had five wins and three losses in League matches, finishing the season in second place. We hope to see these boys back next year holding the same fine record.

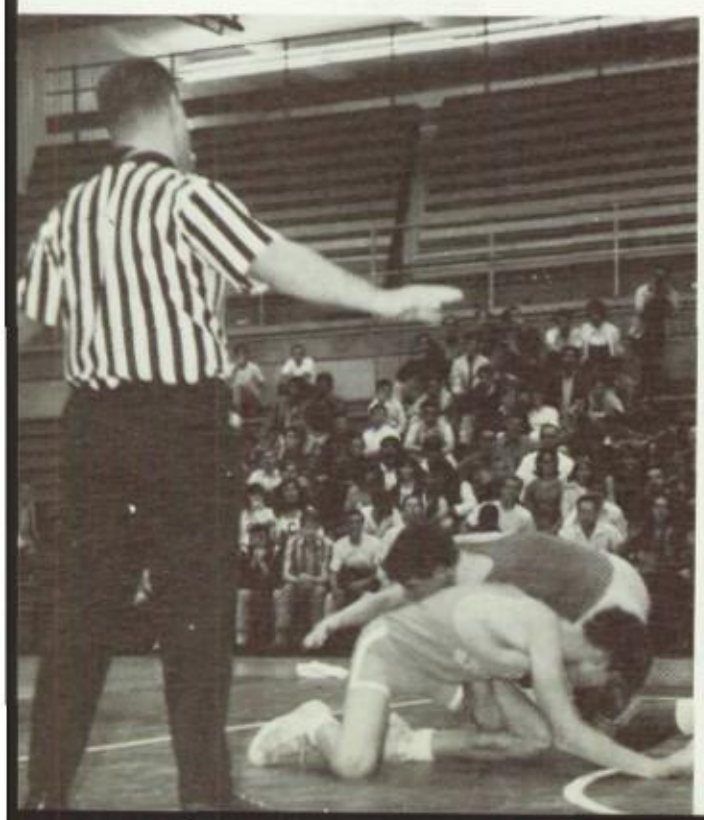
FRONT ROW: Carl Vance, Mike Bisbing, John Lansing, Pat Gunning, Dennis Benefield, David Lipe. SECOND ROW: Manager Mark Haddock, Wes Smith,, Hugh Littrel, Mike Candland, Richard Dubbe, Mike Burke, George Bradshaw.

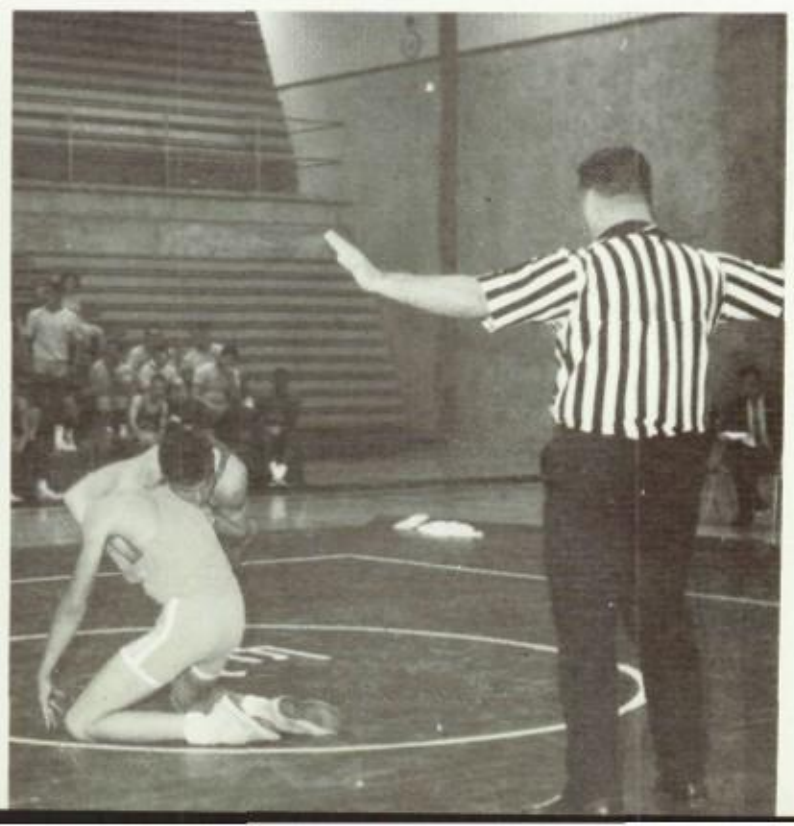
Coach Kuczewski

The Freshman wrestling team headed by Coach Kuczewski, worked hard with determination this year to make their team. Kuczewski taught his Frosh wrestlers a lot, since wrestling was a new sport to most of the boys. Coach made them work hard but it paid off to this novice team.

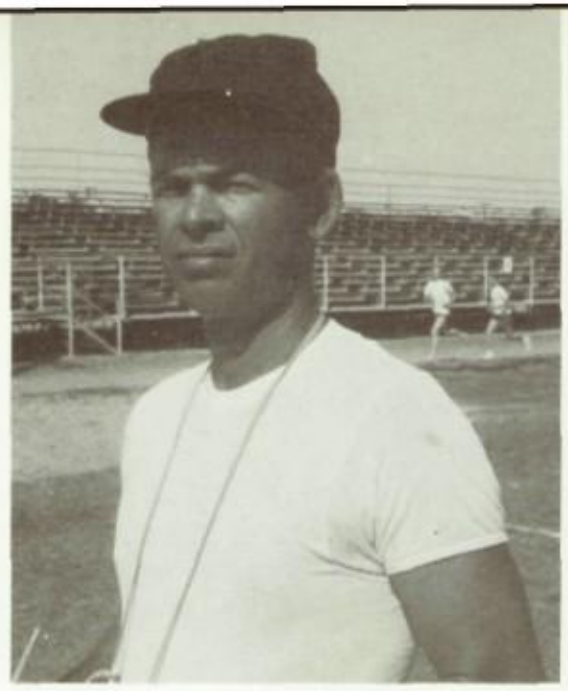
The first match they were ready and they came out on top. Then they hit a stumbling block and couldn't get out.

They had fun and they did learn a lot about wrestling sportsmanship. This great bunch of boys hope to have a better win record next year as they work out for the Junior Varsity team.





CINDERMEN SUCCESSFUL



Coach Raulston

Coach Santia

Led this year by a strong "C" herd, a small but determined "B" crew, and a potential "A" squad, Mr. Raulston and his new assistant, Mr. Santia, started at a running pace.

Although they lacked depth in a few events, the usual strong field event men and distance pacers contributed to the winning of many meets. El Centro was once again the place for the Kiwanis Relays.

With potential record breakers and other outstanding performers, our coaches look forward to an impressive season.

"B" TRACK

The Junior Varsity has done an outstanding job this year, but lacks depth in many events. In such events as 100, 440, shot put, and pole vault the **Spartans** are building for the future, while in the high jump, broad jump, hurdles, and 1320, thew are very successful. With a victory over Calexico (69-23) the B's are on their way to a championship!

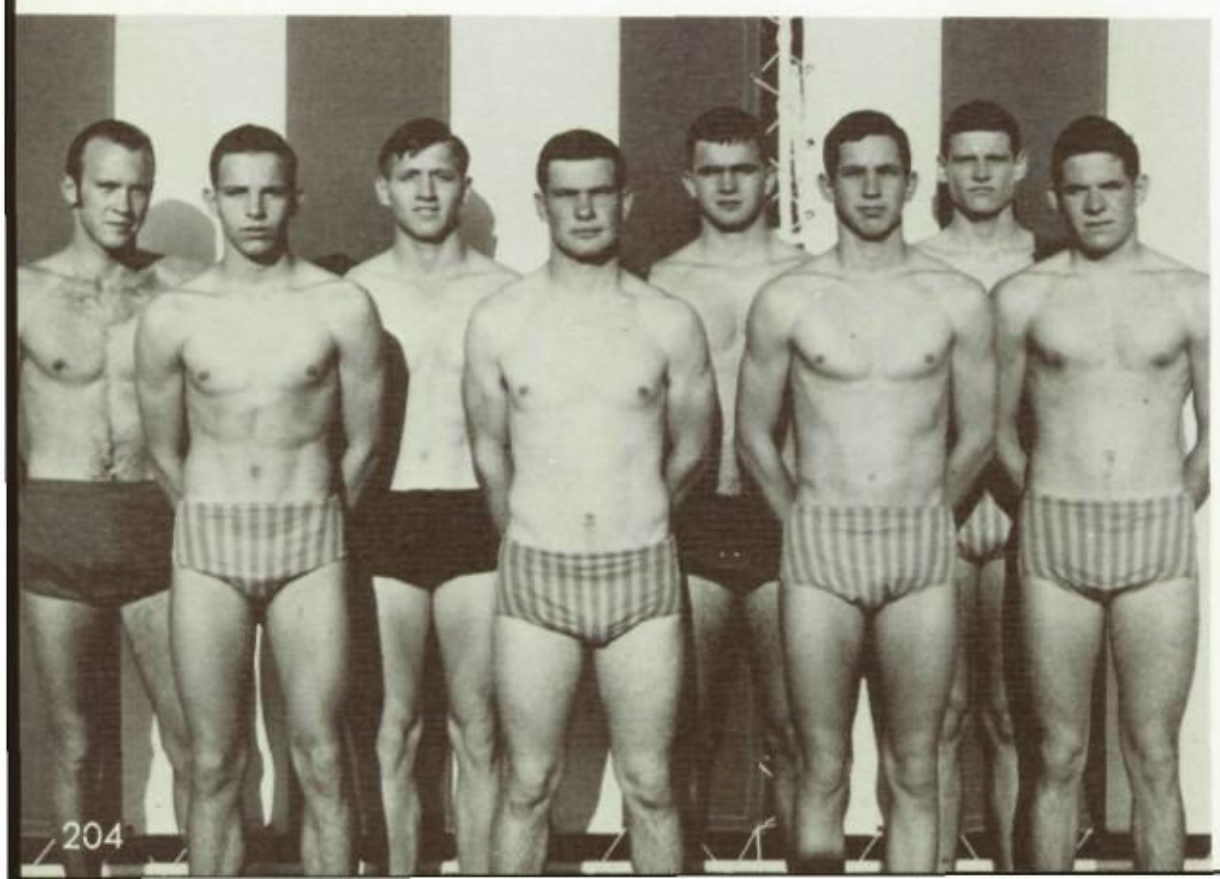
SWIMMING:

Coaches Bill Cole and Bill Aaron

Divers: Kenny Oswalt, David Miller, Tim Blankenship.

Although they got a late start because of cold weather and an unheated pool, Coach Bill Cole says of his 1966 Swimming Team, "They look very promising." As the yearbook went to press they had emerged victorious over two opponents and had been downed by one other. Among his many excellent swimmers, Mr. Cole cites Andy Erickson and Richard Payne as showing great promise towards C.I.F. We wish them luck and more victories in the rest of their season.

A SQUAD. FIRST ROW: Richard Payne, Mark Severance, Alan Ballard, Burl Stewart. SECOND ROW: Tim Blankenship, Bill McNeese, Jerry Pinney, Andy Erickson.



B SQUAD. FIRST ROW: David Miller, John Tosello, Bill Tubbs. SECOND ROW: Scott Jackson, John Cook, Mike McMahon.

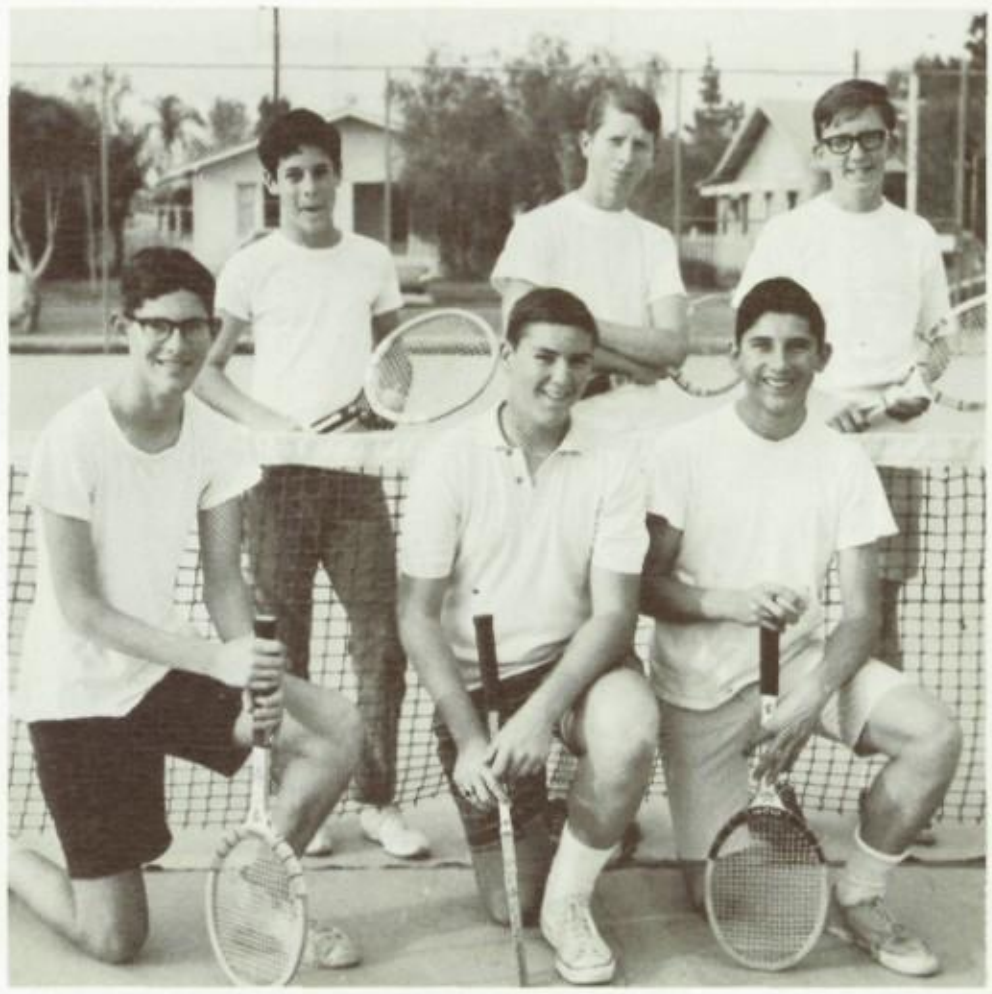
Coach Jay Topper



JUNIOR VARSITY. BOTTOM ROW: Alton Marcus, Terry Quilan, Mike Sessions. TOP ROW: John Beinhorn, Ron Greenlee, Randy Fisher.

Coach Jay Topper's IVL championship tennis team is headed for another victorious season. With tennis in its fourth year at Central, the Spartan netters again proved their worth against other valley teams. Several top-ranked players graduated last year (including Bob Price, 1963 State doubles champion from Texas), but nevertheless, this year's varsity squad shows promise against all opposition. The squad includes Steve Hui, Kelly Edwards, Tom Gilbert, Ron Hull, Mike Gunning, Steve Conrad, and Tom Nussbaum. Best of luck in the future to a very successful team.

SPARTAN DIVOT— DIGGERS

In its third year, golf is beginning to play a very important part in C.U.H.S. athletics. This year twenty-seven boys tried out for the team, which made it necessary for coach LePere to start a junior team.

This year's starting team was comprised of Tom Lockett, Mike McClurg, Randy Ryerson, Mike Schultz, Jim Plumb, Howard Kearney, and Larry Cowne.

This year some of the best golf teams in the state, including Indio and Palm Springs, were on the schedule. Besides their sixteen matches, a few members were invited to participate in the Jr. Los Angeles Open, a statewide event. Closing out the season was the Kiwanis Invitational Tourney at the Country Club.

Coach Wilson and Manager

This year's Varsity Baseball squad is a very young team in that it is made up mostly of underclassmen. But Coach Jim Wilson, having his second year with this team, has started off the season with many wins, mainly due to hardworking efforts of every member and the strong team spirit.

The competition was keen among team members with starting line up spots as follows: Tom Slovak coaching, Joe Lavender on first base, Willie Valenzuela on second base, Jesse Silva on third, Randy Palomino short stop, Wayne Gonder at left field, Allon Owen center field, Harold Bonneau at right field, and Rick White, Raul Gomez, James Boldman, Amos Walker pitchers.

With power hitter Jim Boldman and Jesse Silva's first home runs of the season, the team hopes for some real excitement as they go into league games.

J.V. GLOVERS OPEN SEASON

Opening games for the junior varsity baseball players proved to be successful with Mr. Enserro coaching the team in their four wins and two losses. They haven't yet gone into league play, but with fine Rick Dalton and Gerald Richardson, they have a good chance of coming through on top. Fine batting has been shown by David Steele, Larry Eyer, and Kent Fulmer so far this season. We wish these boys luck in the rest of their games.

SPARTAN SPIRIT

Six of Central's most enhtusiastic Cheerleaders—Cheryl, Pat, and Candy, Seniors; Mary, Nancy, and Chris, Juniors, led our team and rooters on to victory this year.

Four of the Cheerleaders represented our school at Cheerleaders Camp in Redlands during the summer and brought home new ideas for cheers.

Our girls led cheers at games and pep rallies for football and basketball, adding zest and color with their clever routines. They marched in parades and participated in the unveiling of the SPARTAN statue.

With the opening of the new gym and the fine cooperation of Mr. Mull, their sponsor, these girls have inspired true SPARTAN Spirit.

VIVACIOUS SONGLEADERS ACTIVATE SINGING SPIRITS

Head Songleader Diane

This year's Songleaders Diane and Celia, Seniors; and Chrissy, Robin, and Dinah, Juniors, have added exuberant spirit and pep at Central.

These girls practiced diligently during the summer and attended camp at University of Redlands in August. There they learned ideas for routines and designing their outfits.

They were very active at pep assemblies, games, Serpentine, Christmas, and Carrot Carnival Parades, and participated in the rally to unveil the statue.

Many thanks are due this lively quintet for contributing so much SPARTAN Spirit and representing our school this year.

Fight on,
For Central High
We're raising high,
Our battle cry.
Fight on,
For Central High
We're backing you,
Until we die.
FIGHT! FIGHT! FIGHT!

ACTIVITIES

QUEEN CELIA

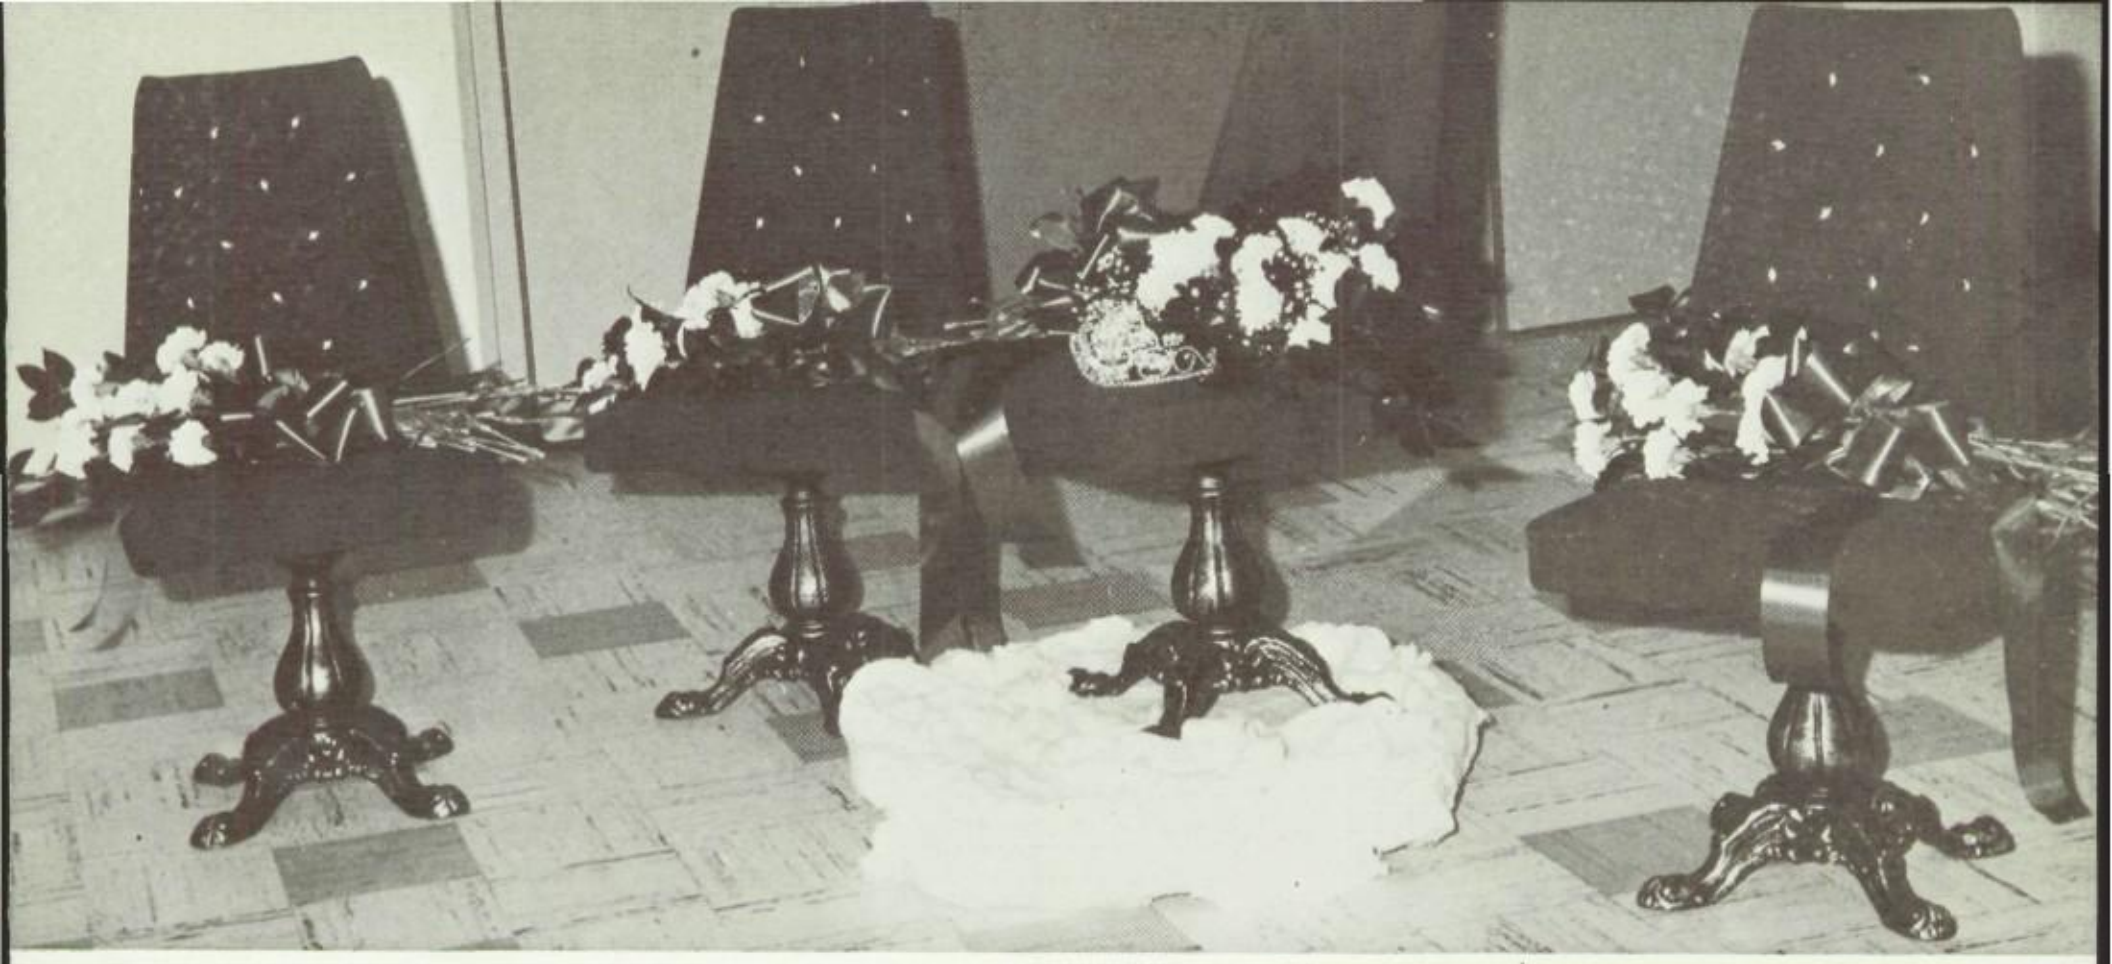
On November 19, 1965 Central crowned Miss Celia Lundy its Homecoming Queen. Celia, a song-leader who has spiritedly supported her class and school, made a perfect queen. She has been an active member of Pep Club, Art Guild and has held various offices since she was a freshman. The dark-haired beauty reigned over the dance following her coronation. The Spartans were proud to have Celia represent them as their 1965 Homecoming Queen.

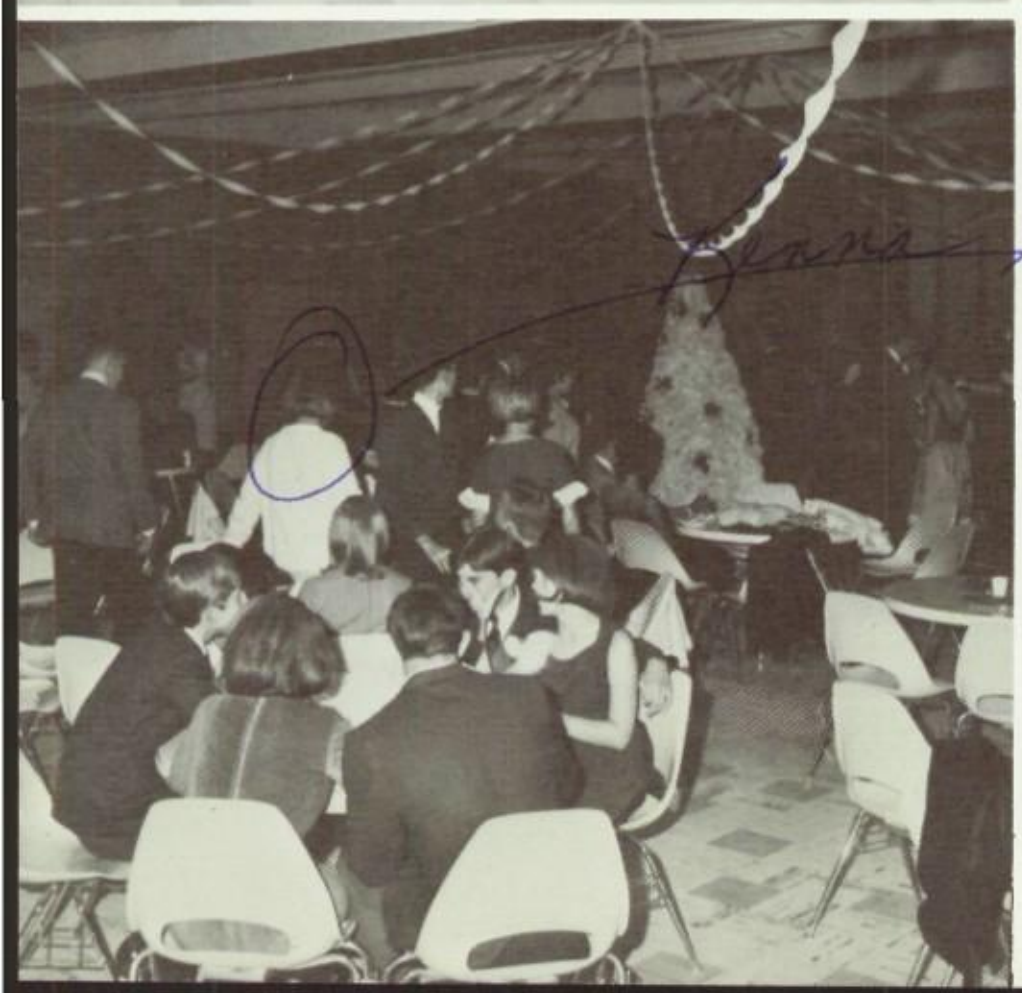
PRINCESS CHERYL

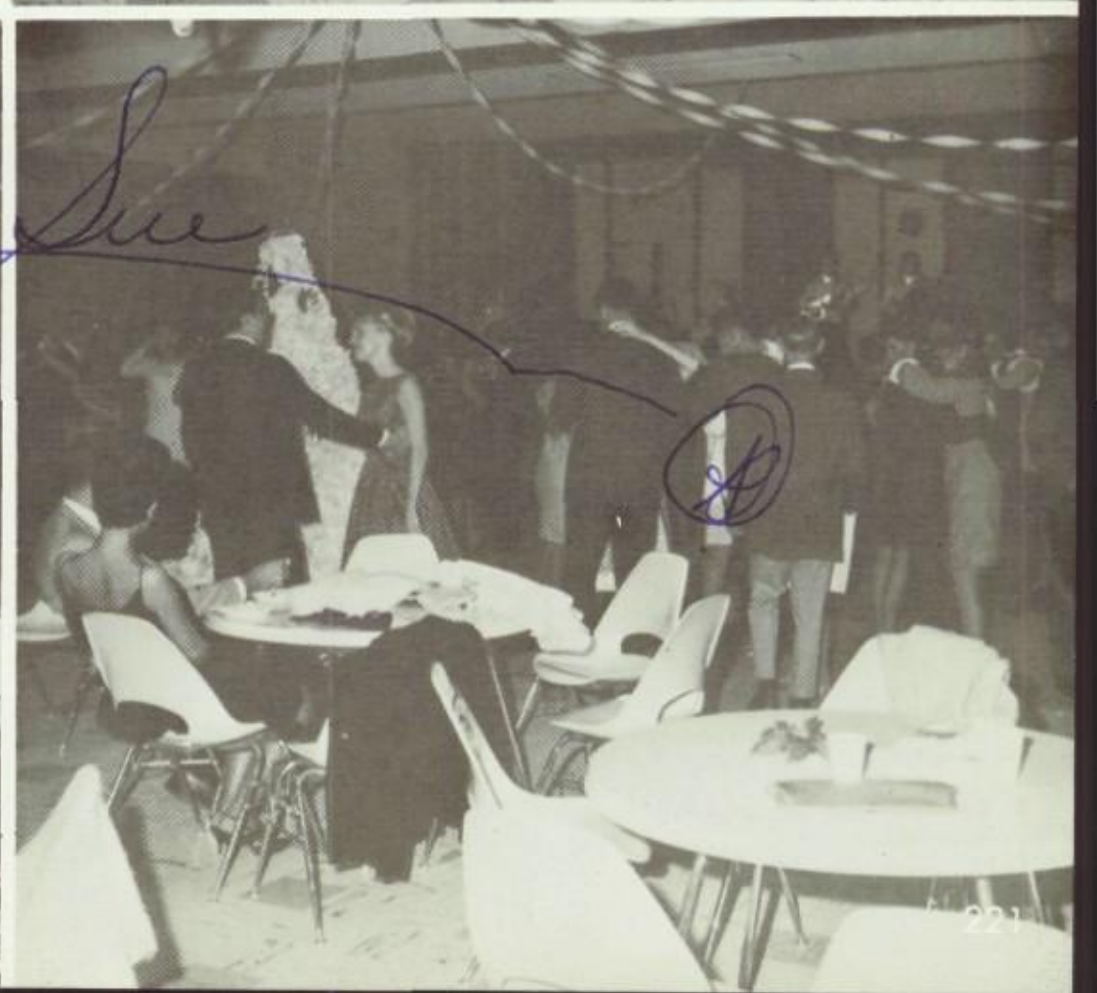
For one special night, Cheryl Watson was not performing as a cheerleader. Cheryl, with her bubbling personality and ever-ready smile, was a 1965 Homecoming Princess. This vivacious green-eyed brunette truly deserved this honor for the enthusiasm and spirit she has displayed in all her four years at CUHS. A member of Anchor Club and Annual Staff, Cheryl has always taken an active part in supporting spirit and has set a peppy example for the rest of Central. She is truly a princess Central can be proud of.

PRINCESS DIANE

Diane DuBois, a brown-eyed, brown-haired beauty, sparkled the night of Homecoming. Her enthusiasm for her school has been shown by her never-ending participation in Anchor Club, ICC, and as head songleader. Diane is well known for her pleasant personality and quiet smile. To Diane, the honor of being Homecoming Princess was one to be proud of, as all of Central is indeed proud of her.







QUEEN SUE

Christmas, 1965, will always be remembered by Miss Sue Steffy. On the arm of Billy McNees, this blue eyed blonde was crowned Christmas Queen by Santa Claus at the Annual Christmas Ball.

Sue was a Junior Class Cheerleader this year and has spiritedly and enthusiastically supported her class. Its appreciation was shown when it nominated her as its candidate.

Sue will be leaving next year and will really be missed by her class and the school for Sue was truly a queen.

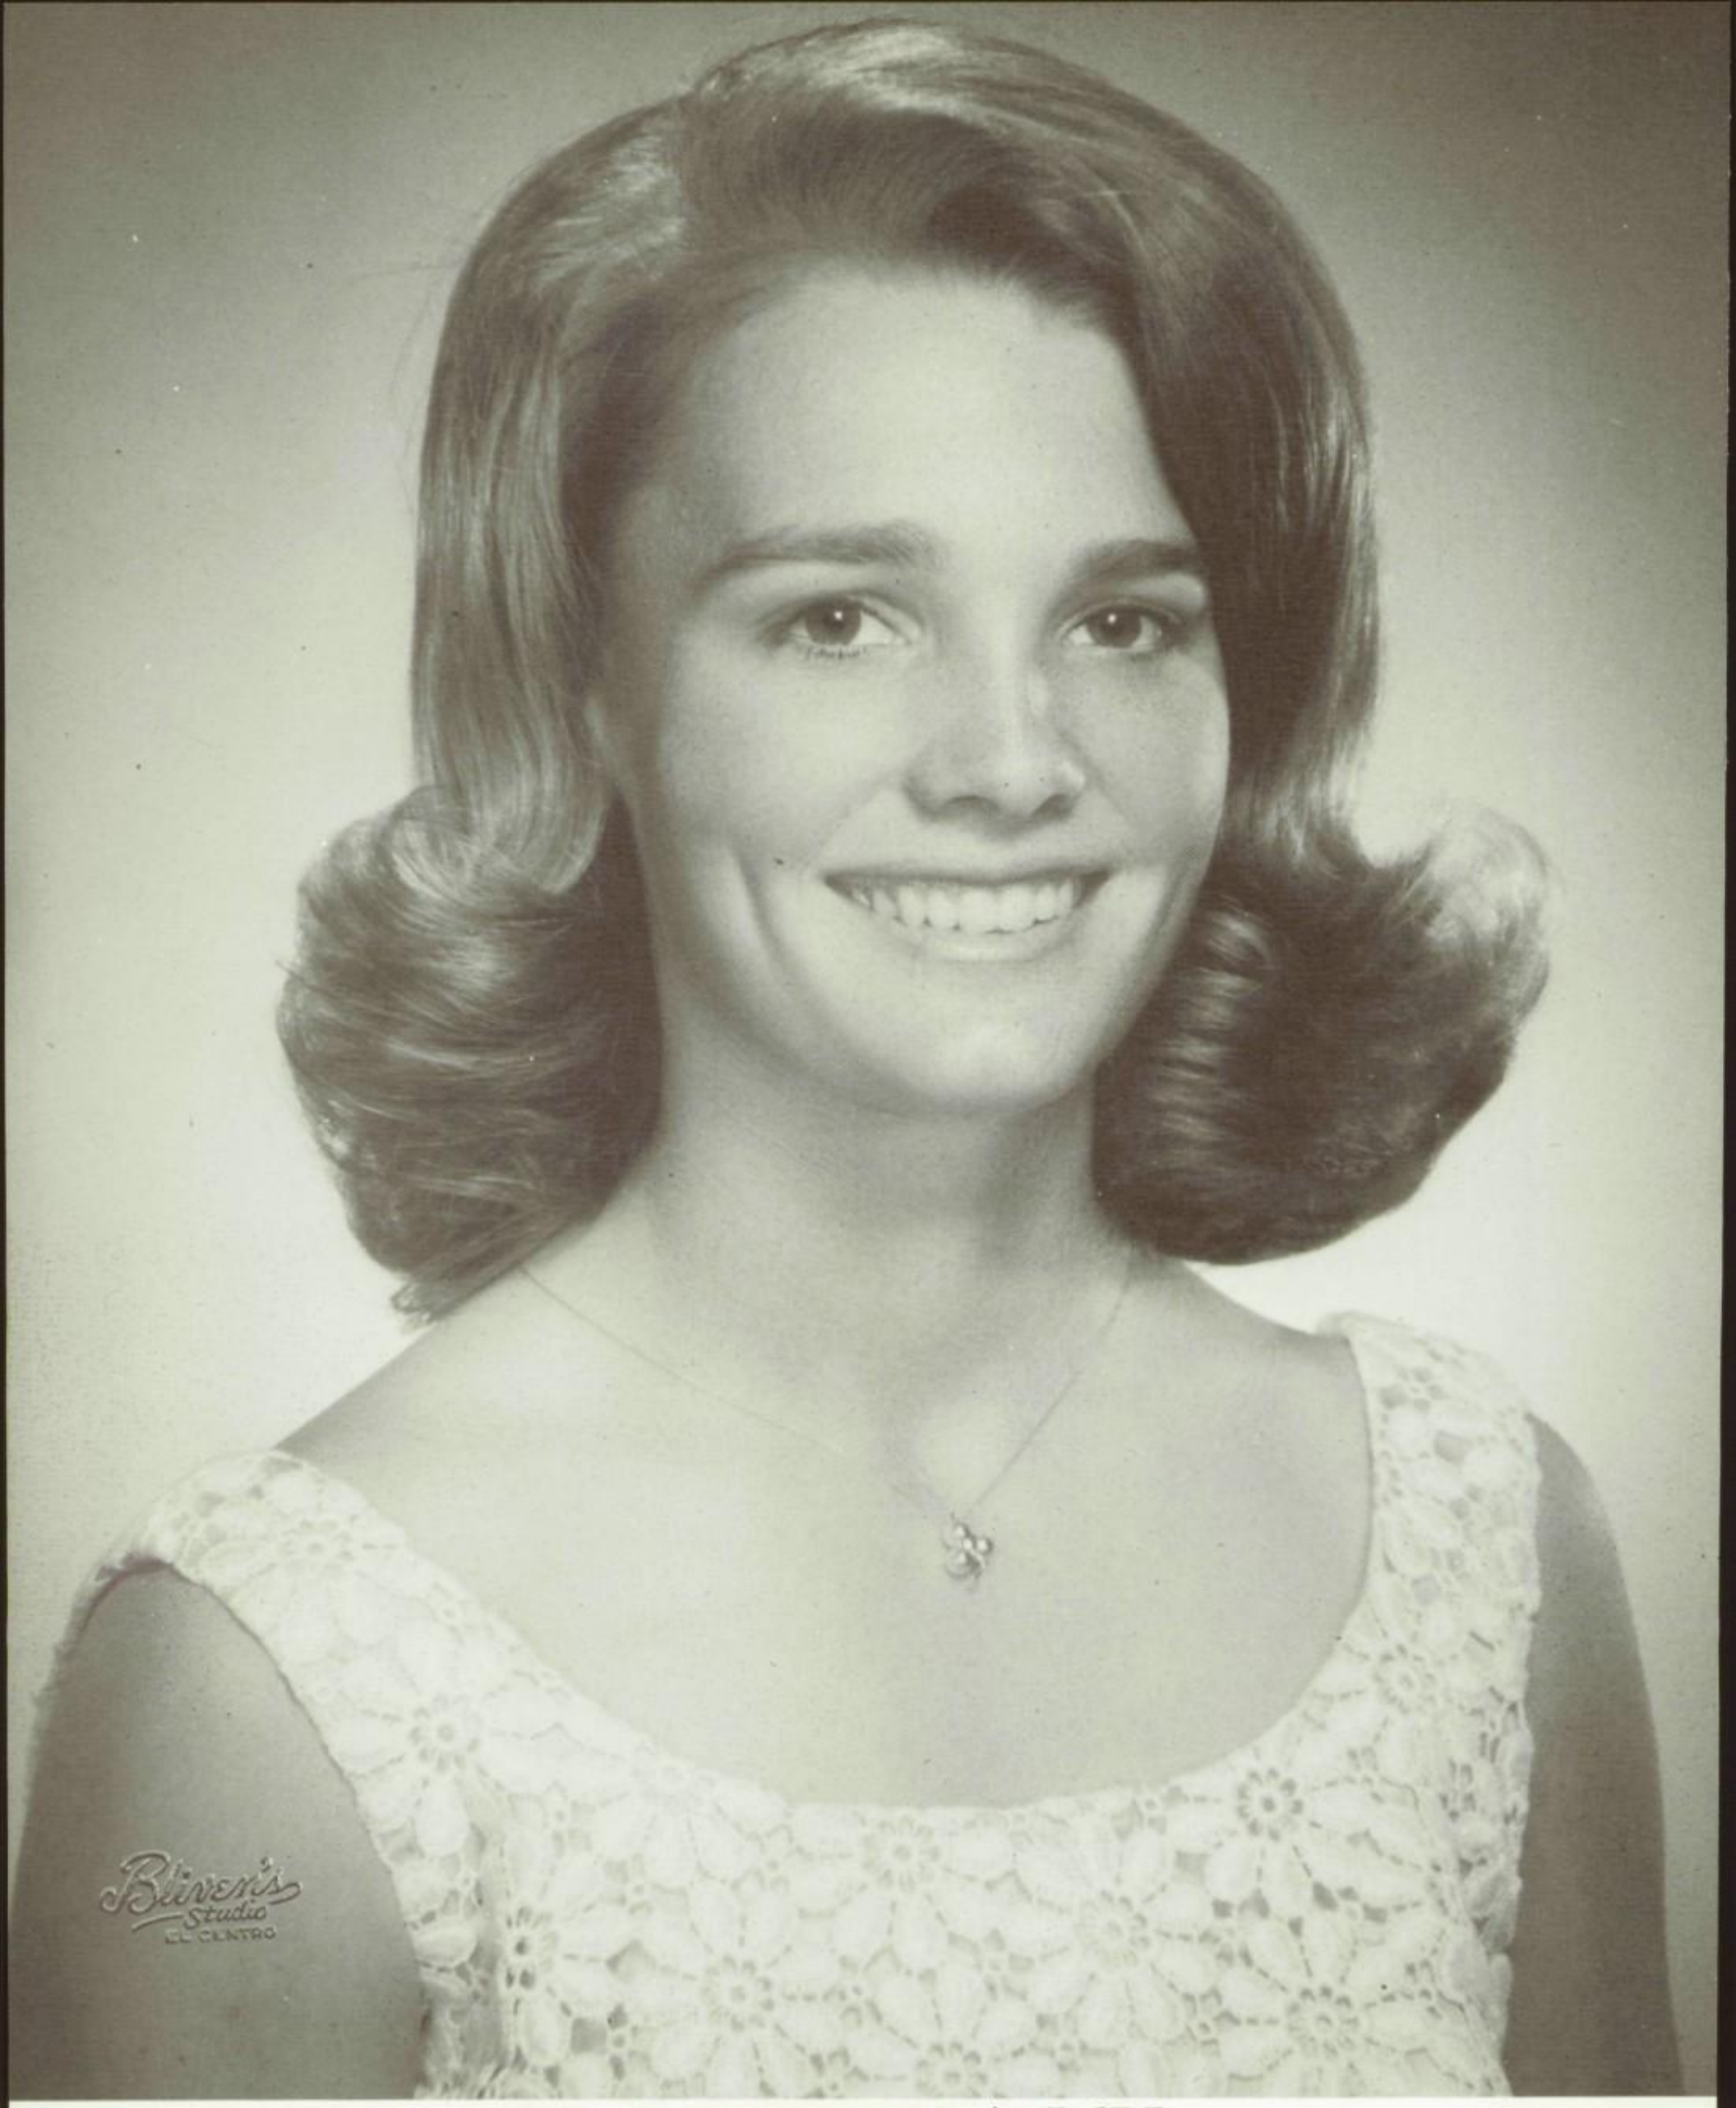
MARY AND MARK

The theme of the 1966 Senior Return was "Around the World In 180 Minutes". The atmosphere was festive and gay as each couple represented a different country. A climax to this exciting evening came when Robin Lee and Jerry Pinney were crowned Queen and King. Mary Main and Mark Severence, along with Chrissy Bedig and Tommy Slovak, completed this royal court. The dance was enjoyed by all and marked the end of the last big social event of the 1966 school year.



QUEEN NANCY

Nancy Ruby, a slender, blonde, brown-eyed beauty, was crowned queen of the 1966 Prom. Nancy, Senior Class President this year, has always had a great deal of spirit and enthusiasm in working for her class and the school. She had a lead part in the Senior Class Play and reigned royally as the 1966 Prom Queen.
